

# Greensburg Elementary School "All About Learning"

<http://www.ges.greensburg.k12.in.us>  
October 21, 2016

**Red Ribbon Week:** Next week, October 24-28, we will be celebrating Red Ribbon Week. All across the country, schools will be speaking to students about living a healthy life by saying no to things such as drugs and alcohol. This year, Greensburg Elementary is teaming up with Greensburg High School SADD group to celebrate Red Ribbon Week by sharing the message to our students about the importance of saying

"No" and living a drug free life. During Red Ribbon Week we will also speak with students about making healthy choices and being involved in healthy activities such as reading, sports, play, etc. This year's theme is **I Elect to Be Drug Free**. We ask that you help us celebrate being drug free by participating in our daily activities for the week.

**Monday: "I Elect to Be Drug Free"**

Wear red, white and blue

**Tuesday: "Team Up against Drugs"**

Wear your favorite Team Shirt

**Wednesday: "I am REaDy to live a Drug Free Life"**

Wear red

**Thursday: NO SCHOOL—Parent/Teacher Conferences**

**Friday: "Say Boo to Drugs"**

Wear costume during Harvest Party

**Good News Club:** We are excited to begin our Good News Club this year for students in grades 1-5. Good News Club is a weekly interdenominational after school Christian program featuring a Bible lesson, songs and memory verses to promote "moral and character development." Our first meeting was on Thursday, October 20th. The club will continue to meet after school on Thursdays from 2:50-4:30 for 6 weeks. The club will then break for the winter months and will begin again in late February, 2017. **Children attend Good News Club only with their parents' permission.** Permission slips were sent home with students in grades 1-5 but there are spots still available. If you are interested in attending the Good News Club, please see Mrs. Michelle Scudder.
